SET SIX NEW RECORDS

Stirring Finishes at Annual Night School Games. Six new records—two in the field and four on the track—were out in the annual indoor championships of the Evening Elementary and High School, held under the auspices of the Public Schools Athletic League, in the 7th Regiment Armory last night.

Mike Taub, of the Harlem Evening High School, who holds the "cross-country" championship, won the half-mile run by a safe margin in the good time of 2:11 1/2. Taub, however, failed to defend his one-mile title, which went to Arthur Rasmussen, a schoolmate, in one of the most stirring races of the night.

John Foley, of the New York Evening High School, won by inches in the 220-yard run. John Behken, the crack amateur club runner, broke the old record twice in winning the 70-yard dash.

More than four feet was added to the 120-yard dash when Tom Cooke, Jr., of the New York Evening High School, put the ball a distance of forty-six feet.

The summaries follow: Sixty-yard dash (500-pound class, elementary school)—Won by H. Nixson, South Brooklyn, P. H. Fitcher, Harlem, second; H. Foster, Harlem, third; L. Miel, Brooklyn, fourth, Time, 0:58 1/2.

Seventy-yard dash (unlimited weight, high school)—Won by John Behken, New York, second; H. Nixson, South Brooklyn, third; L. Miel, Brooklyn, fourth, Time, 0:47 1/2.

Eighty-yard relay race (120-pound class)—Won by P. S. 79, Manhattan (G. Schwager, H. Nef, G. Edelman and J. Lindley); Evening Elementary, second; Manhattan (W. Scanlon, J. Schiano and P. Frasier), third; Evening School 43, Manhattan (W. Bradley, N. Beck, J. "Bute" and W. Van Wagner), third, Time, 1:24 1/2.

220-yard run (high school)—Won by J. Foley, New York, second; H. Nixson, South Brooklyn, third; L. Miel, Brooklyn, fourth, Time, 0:25 1/2.

800-yard run (high school)—Won by M. Taub, Harlem, second; J. Schiano, Evening School 43, Manhattan, third, Time, 2:19 1/2.

FERTILIZER EARNINGS DROP International Corporation May Pass Next Dividend. The recent weakness in the common and preferred stocks of the International Agricultural Corporation was explained yesterday in an official statement as being due to the expectation that the next semi-annual dividend of 2 1/2 per cent on the preferred stock would be deferred at the company's next regular dividend meeting.

It was estimated that the net profits for the year ending June 30, before deducting \$500,000 interest on the \$12,000,000 bonds, would approximate \$1,250,000, and it was said to be probable that the decline in the price of the stock was due to the expectation that the dividend would be passed.

AGAINST DETINING CO. Fight To Be Made on the Management on May 1. In a circular addressed to the stockholders of the Vulcan Detinning Company, John Muir & Co., No. 74 Broadway, which heads a minority interest against the present management, says that the directors who are seeking re-election at the annual meeting on May 1 own less than 2 per cent of the stock of the company, intimate that certain officers are drawing fees as members of a "special committee," and that one of the former officers has a contract by which he will receive 10 per cent of the net profits of the claim against the American Can Company.
